

Stay Fresh Day Cream

Art no: 1805xx

Hydrating day cream for a fresh and glowing look

The Stay Fresh Day Cream contains the following items:

- A 50ml Stay Fresh Day Cream
- Instruction sheet

How it works / Active ingredients

Stay Fresh Day Cream contains natural oils such as jojoba oil, coconut oil and sunflower oil, which have very good effects on the skin, acting as a moisturizer and emollient agent to improve skin elasticity and suppleness. Jojoba contains natural tocopherols to minimize oxidation and hence rancidity caused by lipid peroxidation. Coconut may be used in product formulations to reduce cutaneous dryness to assist in hydration after exposure to sun and other harsh elements.) Sunflower oil is a skin conditioning emollient, which can help retain moisture in the skin and forms a protective barrier. This day cream preserves skin texture and tone and gives a radiant glow.
